"Spes Mea in Deo Est"

A There is a place where all are equal and we are hastened to it fast. We shall meet upon the level, when the gates of death have passed. We shall stand before the Orient and our Master will be there, to try the blocks we offer with his unerring square. We shall meet upon the level there and never thence depart. There is a mansion that is ready for each true and trusting heart. There is a mansion and a welcome and the multitude is there, who have met upon the level and been tried upon the square.@
