"Spes Mea in Deo Est"

"There is a place where all are equal and we are
hastened to it fast. We shall meet upon the level, when the
gates of death have passed. We shall stand before the Orient
and our Master will be there, to try the blocks we offer with his
unerring square. We shall meet upon the level there and never
thence depart. There is a mansion that is ready for each true
and trusting heart. There is a mansion and a welcome and the
multitude is there, who have met upon the level and been tried
upon the square."
